Allergy, Asthma & Immunology Conference for Non-Allergists

Overview

The increasing prevalence of asthma and allergies, which strike one out of four Americans, presents significant challenges for physicians and allied health care professionals. Allergy, Asthma and Immunology Conference for Non-Allergists provides a unique opportunity for attendees to receive updates in the prevalence, diagnosis and management of various allergic diseases and primary immunodeficiency disorders highly relevant to clinical practice. The program will include interactive and didactic lectures by distinguished national speakers with local faculty participation. The conference will provide opportunities to network with colleagues as well as exhibitors. State-of-the-art products and services will be displayed in the exhibit area.

Target Audience

This activity is designed to meet the educational needs of internal medicine, pediatric and family practice physicians, otolaryngologists, pulmonologists, ER physicians, residents and medical students. It may also meet the educational needs of physician assistants, nurses, respiratory therapists, medical assistants, nurse practitioners, EMT's and other interested health care professionals.

Location

The Hilton Garden Inn at 6165 Levis Commons Boulevard in Perrysburg, Ohio, is conveniently located near Interstates 80 – 90 and I-75 off of Exit 2, with shopping and restaurants within walking distance. For more information, go to shopleviscommons.com/main/hilton-garden-inn.

Hotel Accommodations: A block of rooms has been reserved at the Hilton Garden Inn for a discounted rate of \$119.00 plus tax. Please contact the Hotel Reservations Department at (419) 873-0700 and identify yourself as being with the Asthma, Allergy and Immunology Conference. Reservations must be received by **September 25, 2012** and please note this price does not include the breakfast buffet.

EDUCATIONAL CREDITS

This activity has been jointly planned and implemented in accordance with the Essential Areas, Elements and Policies of the Ohio State Medical Association through the joint sponsorship of Mercy St. Charles Hospital and the Toledo Allergy Society (TAS). Mercy St. Charles Hospital is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.

Mercy St. Charles Hospital designates this live activity for a maximum of *6.25 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU's (6 hours) have been applied for by the AARC.

This Live activity, Allergy, Asthma and Immunology Conference for the Non-Allergist, with a beginning date of October 17, 2012, has been reviewed and is acceptable for up to 6 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Mercy St. Charles Hospital is an approved provider of continuing education for pharmacists by the Ohio State Board of Pharmacy. The program has satisfactorily fulfilled the requirements of the activity. This program has been assigned the number 036-189-12 015 L01 and has been designated for 6.5 CEUs. Each pharmacist should claim only those hours of credit that he/she actually spent in the educational activity.

The Ohio Board of Nursing will accept, at face value the number of hours awarded for an educational activity that has been approved for CE, provided it was approved by a nationally accredited system of CE approval.
