6th Toledo Allergy Society: Allergy, Asthma & Immunology Conference

September 20, 2017
7:00 am – 4:30 pm

TAS

Toledo Allergy Society

Hilton Garden Inn Conference Center
6165 Levis Commons Blvd.
Perrysburg, Ohio 43551

TAS: Allergy, Asthma & Immunology Conference

AGENDA

OVERVIEW:

The increasing prevalence of asthma and allergies, which strike one out of four Americans, presents significant challenges for physicians and allied health care professionals. This TAS: Allergy, Asthma and Immunology Conference provides a unique opportunity for attendees to receive updates in the prevalence, diagnosis and management of various allergic diseases and primarily immunodeficiency disorders highly relevant to clinical practice. The program will include interactive and didactic lectures by distinguished national speakers. The conference will provide opportunities to network with colleagues as well as exhibitors. State-of-the-art products and services will be displayed in the exhibit areas.

TARGET AUDIENCE:

This activity is designed to meet the educational needs of allergists, internal medicine, pediatric and family practice physicians, otolaryngologists, pulmonologists, ER physicians, residents and medical students. It may also meet the educational needs of physician assistants, nurses, pharmacists, respiratory therapists, medical assistants, nurse practitioners, EMT's and other interested health care professionals.

OBJECTIVES:

- Review the diagnosis and management of asthma
- Discuss treatment options for patients who do not respond completely to initial treatment choices
- Discuss the current and future use of biological agents
- Identify how to describe a skin rash
- Review clinical features and diagnosis of common skin rashes
- Discuss differential diagnosis of eczema, including drug eruptions, atopic dermatitis and contact dermatitis
- Identify appropriate clinical evaluation and management of rhinitis
- Review the prevalence, burden and diagnosis of rhinitis
- Identify the subcategories of rhinitis and co-morbidities
- Discuss evaluation and management options of rhinitis
- Review different types and causes of angioedema
- Discuss clinical presentations, diagnosis and treatment options available for patients with angioedema with and without C1 inhibitor deficiency
- Examine the current guidelines for the prevention of peanut allergy
- Describe approaches to practical implementation to early food introduction for at-risk infants
- List barriers to implementation of early food introduction

LOCATION:

The Hilton Garden Inn at 6165 Levis Commons Boulevard in Perrysburg, Ohio, is conveniently located near Interstates 80-90 and I-75 off of Exit 2 with shopping and restaurants within walking distance. For more information, go to shopleviscommons.com/main/Hilton-garden-inn. Hotel Accommodations: A block of rooms has been reserved at the Hilton Garden Inn. Please contact the Hotel Reservations Department

at (419) 873-0700 and identify yourself as being with the TAS: Asthma, Allergy and Immunology Conference.

ACCREDITATION & DESIGNATION:

This activity was planned and implemented in accordance with the accreditation requirements and policies of the Ohio State Medical Association (OSMA) through the joint providership of Mercy Toledo Continuing Medical Education and the Toledo Allergy Society. Mercy Toledo Continuing Medical Education is accredited by the Ohio State Medical Association (OSMA) to provide continuing medical education for physicians.

Mercy Toledo Continuing Medical Education designates this live activity for a maximum of 6.50 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

The Ohio Nursing Board will accept a continuing education activity that has been approved or provided by a nationally recognized accreditation system of continuing education. The amount of continuing education credit designated on a certificate issued by the provider or approval body will be the amount accepted by the board.
